Stem Cell Therapy

Healing your body, naturally

Regenerative medicine offers patients a new way to treat their chronic pain or injuries naturally. Using the body's own growth factors, regenerative medicine can naturally reduce inflammation and pain in any location on the body. Click on any of the following procedures to find out more.

- [Prolotherapy](#)
- [Platelet Rich Plasma Therapy \(PRP\)](#)
- [Intradiscal PRP](#)
- [Amniotic Stem Cell Therapy](#)
- [Bone Marrow Aspirate Concentrate \(BMAC\)](#)

Our physicians are happy to discuss these procedures to find out whether they are right for you.
